

Yong Kweon Yoo, Ph.D.

Professor

Department of Horticultural Science,

College of Natural Science

Mokpo National University

Phone/Fax : +82-61-450-2372

Mobile : +82-10-7997-2372

E-mail : yooyong@mokpo.ac.kr

Education

1) Ph.D.

- College : Seoul National University
- Degree : Ph.D. in Agriculture
- Major : Horticultural Science (Floriculture and Ornamental Plants)

2) MS

- College : Seoul National University
- Degree : Master of Science in Agriculture
- Major : Horticultural Science (Floriculture)

3) BA

- College : Seoul National University
- Degree : Bachelor of Science in Agriculture
- Major : Horticultural Science

Academic and Professional Work Experiences

- 1) 1996 ~ Present : Professor, Dept. of Horticultural Science, Mokpo National University
- 2) 2019 ~ Present : President, The Society of People, Plants, and Environment
- 3) 2020 ~ Present : Senior Vice Present, The Korean Society for Floricultural Science
- 4) 2019 ~ Present : Senior Vice Present, Korean Horticultural Therapy & Wellbeing Association

- 5) 2015 ~ Present : Adjunct Researcher, National Institute of Horticultural and Herbal Science
- 6) 2007 ~ Present : Adjunct Researcher, Jeonnam Agricultural Research & Extension Services
- 7) 2009 ~ Present : Head Professor/Campus President, Jeonnam Agriculture Meister College
- 8) 1997 ~ Present : Head Professor, Agricultural Manager Course in Mokpo National University
- 9) 2016 ~ 2019 : General Affairs, Korean Society for Horticultural Science
